## Important Show Info.

Hello All,

We hope everyone is doing well during this sweltering summer we are having.

We just want to touch base and let everyone know that we will continue the UTV Permits this year like we did last year....still \$15 for the weekend.

And we have a couple of changes this year..... we are asking all trailers to park in the North West corner of the lot up by the Exhibitors Entrance. And we are implementing a safety zone up by the pull track , so please do not set up in any flagged areas.

We are trying to make this a SAFE and enjoyable experience for all who wish to attend.

Thank you for your help in making it a great time for everyone. Have a great rest of the summer. We will see y'all on showday!

Your TEDTEA Officers,  
Jake, Cody, Earl, and Jeannie
